---

1. Check the box next to the issues that you feel is the most important problem facing America.
  - ☐ A. Education
  - ☐ B. Crime and violence
  - ☐ C. Decline of morals and ethical behavior
  - ☐ D. Other \_\_\_\_\_
2. Which of the following proposals do you think would do the most to improve education?
  - ☐ A. Allow parents to use vouchers to transfer their children from low-performing public schools to private schools.
  - ☐ B. Allow parents to transfer their children from a low-performing public school to other public schools.
  - ☐ C. Retain the current system, but increase federal spending for public schools.
  - ☐ D. Allow both private school voucher programs and parental choice of public schools.
3. Which of the following would be the best change we could make in the criminal justice system?
  - ☐ A. Make the penalties for crimes harsher so criminals are afraid to commit them.
  - ☐ B. Increase funding for prevention efforts.
  - ☐ C. Abolish the death penalty.
  - ☐ D. Retain the death penalty, but reform the system to prevent false convictions.
  - ☐ Pass new gun control laws.
  - ☐ Better enforce current gun laws.
4. What should we do to restore people's faith in government and elected officials?
  - ☐ A. Pass tough campaign finance reform laws.
  - ☐ B. Subject candidates to more scrutiny of their character and private behavior.
  - ☐ Shorten the campaigns and use only public money to fund them.

To modify the ballot to meet your school needs, add issues and races **not** to be reported to NSPME through district election representative, here.
